AutoMARK voting machine demonstration for people with disabilities

CLINTON TOWNSHIP, Mich. – Macomb County residents with disabilities who are interested in voting this November are encouraged to attend a demonstration of the AutoMARK voting machine for the disabled.

The AutoMARK voting machine offers many features for disabled voters, including a screen with magnification and contrast features, Braille keypad, foot pedal, audio function using headphones, and a wand or personal sip/puff tube.

Representatives from the Macomb County Clerk's Office will demonstrate how to use the machine at 11 a.m. Thursday, Oct. 26, at the Macomb County Library. Participants also will get a chance to try the machine after the presentation.

The demonstration is free and open to the public (not just county residents), but registration is required as seating is limited. For reservations or more information, please call the Macomb County Library at 586-286-6660.

The Macomb County Library is located at 16480 Hall Road (near Garfield).
